

“treason”—and he was exactly right; it is treason and a betrayal of the troops in the field.

Unfortunately, in the current wars in Iraq and Afghanistan, there has been only negligible congressional oversight and investigation of war profiteering. That leaves the False Claims Act as the last best hope for taxpayers to recover, yet the Department of Justice has systematically delayed lawsuits brought under the act.

My amendment will directly address this latter problem. By all means, the Department of Justice should have ample time to review cases brought under the False Claims Act. But after a maximum of 1 year, those cases should be allowed to go forward in the courts so that justice is served.

This is a strictly nonpartisan amendment. It is all about protecting taxpayer dollars and ensuring that our troops in the field are not put at risk because of corrupt contractors. I urge my colleagues to support this amendment.

MORNING BUSINESS

Mr. ENSIGN. Mr. President, I ask unanimous consent that there now be a period of morning business with Senators permitted to speak for up to 10 minutes each.

The PRESIDING OFFICER (Mr. BURR). Without objection, it is so ordered.

RECOGNITION OF MERVIN IVERSON ELEMENTARY SPACE DAY DESIGN CHALLENGE TEAM

Mr. REID. Mr. President, I rise today to congratulate Shane Buckley, Brett Hyde, and Luis Rangel of Mervin Iverson Elementary School on their selection as a Stellar Design Challenges team for Space Day 2006. I also want to recognize their teacher, Kathryn Grimes, for her outstanding leadership and guidance of the team.

Space Day is an international celebration of the achievements and opportunities in space exploration aimed at inspiring students to pursue careers in science, technology, engineering, and mathematics. It reaches hundreds of thousands of teachers and millions of students around the world. Past events in support of Space Day have taken place in over 25 countries on 6 continents.

Created by the Challenger Center for Space Science Education, Space Day Design Challenges is a national competition that encourages students to create innovative solutions to the challenges of space exploration. The 21 Stellar Design Challenges teams were selected from more than 259 teams who participated in the competition, making these students' work even more impressive.

The Mervin Iverson Elementary School team designed a tool to help researchers on Mars. The remotely operated tool would collect samples of

rock, minerals, and soil, analyze their chemical compositions, measure temperatures of the Martian surface, and relay this data back to Earth.

In honor of their achievements, the Iverson students will attend the national Space Day 2006 ceremony at NASA's Goddard Space Flight Center and meet former Senator John Glenn. They will also have the opportunity to share their knowledge by displaying their project to more than 2,000 sixth graders from the Washington, DC area.

Their success is reflective of their hard work, dedication, and creativity as well as Mervin Iverson Elementary School's strong commitment to academic excellence. Please join me in honoring Mervin Iverson Elementary School and its Stellar Design Challenges team on this extraordinary accomplishment.

HONORING OUR ARMED FORCES

PRIVATE FIRST CLASS GEORGE RONALD ROEHL, JR.

Mr. GREGG. Mr. President, I rise today with a heavy heart and a deep sense of gratitude to pay tribute to a brave young man, PFC George Ronald Roehl, Jr., of Manchester, NH, for his service and his supreme sacrifice for his country.

George was born on January 24, 1985, in Manchester, NH. He graduated from Franklin High School, Franklin, NH, in 2003 and entered the United States Army on November 2, 2004. He subsequently graduated from basic combat training and advanced individual training at Ft. Knox, KY, and was assigned to Bravo Troop, 7th Squadron, 10th Cavalry, 1st Brigade, 4th Infantry Division at Ft. Hood, TX, where he served as a Scout dismount.

George, the oldest of five children, risked everything to fight for the values we Americans hold dear, in a country halfway around the world. Tragically, on April 11, 2006, this courageous young soldier and two of his comrades died as a result of injuries sustained in Taji, Iraq when an improvised explosive device detonated near their Bradley Fighting Vehicle and they subsequently came under small arms fire during combat operations. His awards and decorations include the Bronze Star Medal, the Purple Heart, the Army Good Conduct Medal, the National Defense Service Medal, the Iraq Campaign Medal, the Global War on Terrorism Service Medal, the Army Service Ribbon, the Overseas Service Ribbon, and the Combat Action Badge.

Patriots from the State of New Hampshire have served our Nation with honor and distinction from Bunker Hill to Baghdad—and George served in that fine tradition. Daniel Webster said, “God grants liberty only to those who love it, and are always ready to guard and defend it.” George was one of those proud and dedicated volunteers who believed in fighting for our country and guarding our precious liberty, and for that we will always owe our sincere gratitude.

My condolences and prayers go out to George's family, and I offer them my deepest sympathies. Family, friends, and fellow soldiers will no longer be able to enjoy the company of PFC George R. Roehl, Jr. Yet memories of this young patriot will last forever with those who were fortunate enough to have had the opportunity to know him. He realized a calling and chose to employ his youthful energy and considerable talents for his country. He understood that the freedoms and opportunities provided by this Nation need continuous defense and that they are among the most precious gifts he can give to his family and loved ones. Because of him, the safety and liberty of each and every American is more secure. May God bless George Ronald Roehl, Jr.

LOCAL LAW ENFORCEMENT ENHANCEMENT ACT OF 2005

Mr. SMITH. Mr. President, I rise today to speak about the need for hate crimes legislation. Each Congress, Senator KENNEDY and I introduce hate crimes legislation that would add new categories to current hate crimes law, sending a signal that violence of any kind is unacceptable in our society. Likewise, each Congress I have come to the floor to highlight a separate hate crime that has occurred in our country.

In April 2006 the beatings of two gay men in separate attacks took place in northeast Fort Lauderdale, FL. The first attack involved a gay man who was riding his bicycle. When he passed a man on the sidewalk, the man yelled a gay slur and then beat him. Minutes after the first attack a group of men forced a gay man into their car, took him to a local park, then beat and robbed him. According to reports, both attacks appear to have been motivated by the victim's sexual orientation.

I believe that the Government's first duty is to defend its citizens, to defend them against the harms that come out of hate. The Local Law Enforcement Enhancement Act is a symbol that can become substance. I believe that by passing this legislation and changing current law, we can change hearts and minds as well.

ADDITIONAL STATEMENTS

RECOGNITION OF A DUAL CELEBRATION FOR THE CITY OF KERMAN

• Mrs. BOXER. Mr. President, I rise to recognize a dual celebration for the city of Kerman, CA. This year marks the 100th anniversary of Kerman as a city in Fresno County and also the 60th anniversary of its incorporation as an official city.

In 1891, the Southern Pacific Railroad Company constructed a new line between Tracy and Fresno. A nondescript watering tank and pump along
